A blonde woman with long, wavy hair is lying on a red leather couch. She is looking towards the camera with a slight smile. Her arms are crossed over her chest, and her legs are spread apart. She is wearing a red headband. The background is a stone wall.

Nicole has always admitted to being a sexual animal. When asked what she wanted in a man, she said 'a big and ultra-hard cock that I can suck and fuck until it cums all over me.' Fortunately for Nicole, there are several men around that fit the bill, and her pussy.

Nicole

"For me, I need a cock to be big. I feel cheated if it doesn't cum up to my standards."

A photograph of a woman with blonde hair lying on her back on a patterned surface. She is looking towards the camera with a slight smile. Her right arm is bent, with her hand resting on her left hip. The lighting is soft, highlighting the contours of her body.

I want to make my
guy happy, but I'm
not into swallowing
cum. I gag at the
taste and texture
of it and it's bit of a
turn-off. But I love to
take a big hit on my
chest. It's good for
the skin, and I rub
it all in. Guys don't
mind because they
watch me do it and
that makes them
happy.

One time I met a lovely lady at a business function. I introduced her to my husband and he decided he would like to fuck her. I have an open relationship with my husband. I invited her over and she agreed. I sat on a big overstuffed chair watching them go at it. After they finished, I made us all dinner.

The conversation around the dinner table was quite exciting. After dinner, she and I fucked as he watched. US

She stayed that night and we had ourselves a threeway. I don't think I've ever seen my husband so into sex. but that's okay. I think he especially liked it when she was blowing him and I had his balls in my mouth. He looked at us the whole time, taking it all in as we were taking all of him in.

SWING ON

It was movie night and we had just got back from the movies. That was last night and I'm writing today so I don't forget. There were four of us. We sat around the fire and popped open a couple bottles of wine. We were sitting on the back patio and beginning to feel the effects. M.J. is my best friend and his lady is Aline. My wife had a couple drinks and retired early. We were talking and passing the cell phone around so we could see naked 'selfies' of Aline. She wasn't shy about herself and was actually telling us about when and where she took them. There were about ten or twelve different ones in various states of undress, but all highlighted her gorgeous, newly-minted boobs, and big toothy smile.

Aline goes into the house and beckons us two guys inside where she begins to unbutton her blouse. M.J. was busy drawing the blinds as Aline unclipped her bra. "Here. Have a

Brenda on my mind,

I was playing a mind game with some people at work the other day. You know it... if you were stuck on a desert island, who would you want to be stranded with? Most of the answers were pretty typical... Angelina Jolie, Suzanne Summers, Selma Hayak came from the guys, while the ladies in the group chose Brad Pitt, Jerry Seinfeld, and John Stewart because they would keep them laughing and forget about their predicament. Well, when it came to my turn, I really embarrassed myself. You see, I had picked up your magazine a couple nights ago and was enthralled with Brenda at the grill. I was imagining myself on an island with her when hearing my name snapped me back to reality and I blurted out Brenda. That hushed everyone pretty quickly. I tried to recover but couldn't. That broke up the group, but I continued daydreaming.

— Mel, Cleveland

feel of these. Much better than looking at photos!" she said. I began to get some kind of composure back and moved to gently stroke her superb full boobs and nipples. She sighed and so I began to flick my tongue over her large nipples bringing them to a spectacular hard erection. I looked over to M.J., who by now had his trousers and t-shirt off, and was already standing at attention.

He moved behind Aline and slid her jeans and thong off all in one tug. She lay back on the sofa brazenly displaying her large boobs, hard nipples and glistening shaven pussy. I was hurriedly undressing, my cock had precum already glistening on the tip. "Like what you see here?" said Aline exposing the pink of her shaven pussy. I slid into her as she arched her back grunting then gently moaning. The atmosphere was electric and as I continued to fuck Aline, she enthusiastically wrapped her legs around me trying to get my cock into her as deeply as possible.

After a few minutes of this I managed to pull out and M.J. took my place. I stroked Aline's boobs as M.J. fucked his wanton babe. After a while, we changed positions and Aline rode M.J.'s cock while she sucked on mine.

This lasted for a while before M.J. and I swapped positions. Eventually she came groaning loudly. Once she had recovered, she knelt down and began taking turns sucking us off. It didn't take long for M.J. to shoot his load over her boobs. Aline then turned her attention to my cock and pretty soon I added my load to the spunky mess. Aline clearly loved this.

However, about three months later, things happened. M.J. changed jobs and he and Aline moved out of the area. We saw very little of each other after that, but the exploits with Aline and M.J. had kindled an interest in swinging. After ten years of married life and my wife knowing of my past experiences, we decided to dip our toes in the water. Fortunately my wife loved it and we loved nothing more than to get a weekend away and visit a local swingers club.

One weekend, we visited a club and as we had a drink at the bar I walked M.J. and Aline. The three of us were stunned. My wife then quickly catching on to who they were. Normally you wouldn't want to meet an ex work colleague in such circumstances, but this was different.

We caught up on old times and almost seamlessly ended up in a room where we enjoyed a great four-way fuck, M.J. fucking my wife while I re-acquainted myself with Aline's body once more. We swapped phone numbers and meet up every now and again for a sexy weekend.

— Joseph, D.C.

CASINO CASANOVAS

Hey, I hope you guys will like this. I know your magazine and have written before, but this is a good one that you just have to print in your magazine. My name is Niko, and I was to meet two of my male friends at the Foxwoods Casino off I-95 in Connecticut. In case you don't know, this place is humongous. We were going to play at the casino for a couple days over the weekend. I checked into my room and waited for their call to hit the tables. That came about 5pm and I met them at the \$25 poker table.

Harrison was already

there and then Klay shows up with this banger babe on his arm. He introduced her as Jasmine and we all sat down at the table. After a couple hours of mostly losing hands, we abandoned the table and went to the bar for some drinks. Jasmine excused herself for the powder room and we started jiving Klay about bringing a chick to our boys night, but he told us that she was newly divorced and full of sexual frustration. She worked with him in Boston and needed to get away from the grind so he suggested Foxwoods for the weekend.

Now don't get me wrong, she's a fine piece of ass,

but she's going to upset our dynamic. Fifteen minutes later, Jasmine comes back and has another hot chick with her. Settling down at our table, she introduces her as Mandy and that they work at the same firm. Mandy is a blonde girl about 5' 6" featuring a very busty figure with a very full and tight ass. So we drank and talked until about three a.m. The later the night got, the hotter the conversation got and we all decided to go up to Klay's room to continue the party. We found our way to the elevators.

We made small talk for a while and then eventually Jasmine and Mandy started getting friendlier with us and we were right on it. Klay started undressing Jasmine and Mandy joined him as Harrison and I watched. From that moment on the heat began. The two ladies were about to be totally consumed by us three well-hung studs.

Jasmine told Klay that she wanted to suck his cock while we watched. He pulled it out for her to wrap her lips around. She looked at his rock hard stick and licked her lips, knowing that we

were waiting our turn. She then greedily sucked the head into her mouth and slurped her way down his long cock. He moaned with surprise and mentioned he could not believe how good she sucked cock.

She kept on sucking him and he warned her that if she did not stop, he would be shooting soon. In the meantime Mandy had settled herself between Harrison and me and we pulled out our cocks as she stroked and licked them. Harrison and I high-fived and settled back on the sofa to enjoy the sights and

feelings. Mandy gave great head and seeing her blonde hair bobbing up and down on our shafts made it even hotter.

The two ladies switched and Mandy went to Klay and Jasmine came over to us and the bjs continued for the next half hour. We all came with Jasmine taking us both in her mouth and Klay jizzed on Mandy's hair by accident.

Mandy ran off to the bathroom to wash it off and asked Jasmine to help her. I passed out and don't remember anything else except that I woke up on the sofa the next day

with a splitting headache and my cock hanging out of my zipper. The girls and Harrison were gone and Klay was still asleep. I slipped out and headed back to my room and slept the day away.

Harrison called about nine p.m. and said he was with the two girls in his room and they said that they both wanted to get fucked since we all passed out last night. Well, at 9:01 pm I was knocking on Harrison's door.

I went over to my neighbor's house one afternoon to see if she was home and if she wanted to get a bite to eat. I found her back door open and went in. I called but heard no one except a low murmur of a female voice.

Azura & Karen

I went into the living room and found Azura, her neighbor's college roomie prone on the sofa upset over a phone call. After she hung up I introduced myself and tried to reassure her that things would be okay.

It didn't take long for her to feel better. As I was about to leave, she pulled me back. She pulled me close and started to get affectionate. Slowly we kissed on the lips, then she kissed my breasts and I couldn't help but return the favor. Before I knew it, we were buck naked on the sofa kissing and licking each other until we both felt good.

Two hours later, we were all exhausted from all the fooling around. But I was not finished. I reprimanded them that there should be no hanky panky in the dorms, at least not during daylight hours when they should be in class. I left, only to hear them giggling loudly through the door.

Hi there. I'm Georgi. I was asked by the editor to say something about myself, and the photo shoot. I thought for a bit, but decided to just be truthful. I divorced two years ago after thirty years of marriage. I decided to move away and left Charleston for Miami Beach.

Georgi

When I was out with a girlfriend, at one of the Art Deco hotel bars, we were approached by a guy who said he was a photographer. He said to come by his studio to prove he was legit and we could talk then.

Three days later we decided to check him out. Sure enough he had a nice studio and showed us some of his work. He made us each a cup of coffee and we sat and talked for about an hour. We left saying we'd get back in touch with him. My BFF and I discussed it and I said I would go first. I'd do some nude photography. And I did. She did some too, but later.

Men say the first thing they notice about a woman is their eyes, and women say the first thing they notice about men is that they're a bunch of liars.

sometimes the longest trip is into the garage

SEEMS LIKE WHEN YOU JUST WANT TO GET HOME, IT TAKES FOREVER, BUT IT'S WORTH IT.

It was late afternoon, Saturday, as Stan pulled into his garage, he was hoping for a quiet night with his girlfriend and maybe getting a quick handjob in bed as they watched late night TV before falling asleep.

Sandra was sitting in the living room with the next door neighbor doing that girlie gossip thing. She barely looked up at him but did acknowledge his basketball with a small sneer. Turning back to the neighbor, Stan just heard white noise coming out of their mouths. He decided he needed a drink and went to pour himself a cold beer.

He poked his head back to the living room and told the ladies he was going to go shower after the ball game. Going up the stairs, Stan decided to treat himself to a long, hot shower. After almost an hour, he gets out and noticed how pruned his skin was and thought, that in another twenty years he may be looking like this even without a shower. He reaches for the towel and realizes it is not there. He'll have to walk across the room to get one and as he opens the door, there is Sandra with a towel wrapped around herself. She asks him if he is looking for this, and takes it off and hands it to him.

Naked underneath, he

sees the hot beautiful woman he's been dating for almost a year. "Happy Birthday, baby." she croons as she walks over to him and begins to dry him off. She has that tight body he used to ravish every day a few months ago. Now, he sees it sheathed in a combination of sweats or pant suits. She begins by drying off his shoulders, chest and belly. Reaching his groin, she passes by his privates and dries off his legs. Turning the towel to a dry area, she goes back to his crotch and rubs the towel into his pubic hair and down under his cock to dry off his balls.

"Turn around." she says, and Stan obliges putting his hands on the wall like a cop was about to frisk him. Starting at the top, she dries off his shoulders and back and softly pushes the towel between his cheeks to be sure he is good and dry back there, too. Stan is enjoying every minute of this, being relaxed from the shower and now a vertical towel massage.

Throwing the towel on the floor, Sandra pulls Stan towards the bed. Now he takes over, laying Sandra on it and begins kissing her neck, gently nipping and running his tongue all over her soft flesh. Gradually he moves down her body running his tongue around her naked breasts and bare belly cupping her firm breasts as he goes

Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves her head down his body and begins to lick the head of his cock...

lower and lower on her. He then retraces his slippery path back up her body reaching and sucking her erect nipples. When he begins with gentle bites, she moans softly and her breathing became quick and sharp.

Stan reaches between Sandra's warm and moist legs to gently caress her clit. Again he slides down her body kissing it all the way and reaching her soft delta, begins to slurp up the juices that began to flow. Stan places his fingers on her pussy to gently spread her pussy lips apart. He then gently presses his fingers into her mound and just as he's about to insert one, she turns away and rolls on top of him.

Reaching across his chest and into the drawer on the night stand, she grabs a blindfold and places it over his eyes, tying it behind his head. She then grabs some scarves and ties him to the bed so that his arms and legs are spread apart.

She then begins to kiss him and moves to his ear, nibbling on his earlobe and whispering "Happy Birthday," again and telling him to relax and enjoy. Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves her head down his body and begins to lick the head of his cock, licking the entire length of his shaft and then plunging his cock deep into her mouth. She sucks harder and harder, taking time to lick it and nibble at its head causing him pleasure and a tiny bit of pain.

Replacing her mouth with her hands, she starts stroking his cock until she feels him about to come. "Not yet," she whispers and he feels her get off him and off the bed. Moments later he hears her return climbing on top of him and guiding his rock hard cock into her pussy. She pumps up and down using her knees and thighs in a steady pace for a few minutes. She then bends down on top of him and he hears a whisper in his ear, "Happy Birthday, Stan," but the voice was not Sandra's. Before he realizes what was happening, a moist fleshy body landed on his face and pushes onto his mouth. It couldn't be Sandra, he thought, she's riding on my face. The taste of pussy fills him, but it was a new one. One he did not recognize, but

at a time like this it did not seem to matter. It tasted so good that he begins to lick it with gusto. As he was doing this, the pussy got wetter and wetter and he had to taste more so he forces his tongue inside.

Down below, Sandra had quickened her pace and was moaning loudly. The girl sitting on his face begins to moan softly and her juices begin to ooze out from between her legs covering his face in a warm sticky substance. She rocks backwards and forwards forcing his

tongue further inside her and Stan could hear both girls moaning loudly.

Stan felt himself building up to orgasm and within a few minutes he exploded just as Sandra got off him. She helped finish his climax with her hand as he felt his splooge warm and wet on his belly. Sandra gave a couple little squeals of pleasure at a job well done as the girl on his face felt his climax and joined him with one of her own, flowing her cum-juice all over his lips and chin.

Stan could feel the women trade places as the new girl grabbed his cock and immediately brought it back to attention with her lips and mouth. Sandra moved to the top and careful placed one of her nipples into

Looking further down her body, he could see that her pussy was cleanly shaven and he could just see the beginning of her slit between her legs.

Stan's mouth and he began sucking like he wanted to get out every last drop of nipple juice.

He felt his cock penetrate new territory. Much firmer than Sandra's. He could hear the girl gasp as his cock was slowly swallowed up. Stan began to pump his hips and his cock began to slide more freely inside. She responded with gyrating hips and perfectly timed bounces to keep him hard and deep.

All of a sudden everything came to a stop as Sandra removed his blindfold. Slowly adjusting to the light, his eyes looked up at four breasts and two faces kissing in the half light. The kisses stopped and they both looked down at him. It was Gabbie naked and bouncing up and down on his cock. She was the neighbor Sandra was talking to as he came home. She was always a little snooty he thought after living next door for all these years. But he was wrong and now her dark brown hair was draped all over her face and she looked as though she was enjoying every minute. He could see her tits which were about the same size as Sandra's bouncing as she moved up and down.

Looking further down her body, he could see that her pussy was cleanly shaven and he could just see the beginning of her slit between her legs. Sandra and Gabbie looked at each other and began to passionately kiss again. Then the two untie Stan from the bed and as he stands up to stretch, Gabbie falls on top of Sandra and she begins to move slowly down her body until she reached her pussy. She sticks out her tongue and begins to lick Sandra's crotch.

Seeing Gabbie bent over with her butt in the air, Stan could see her soaked pussy clearly. He places his fingers deep inside her and proceeds to finger fuck her as fast as he can. Gabbie's breathing quickens and her body begins to squirm. He pulls his fingers out just as her cum squirts out of her pussy. He then rams his cock into her and begins to thrust. He licks his fingers clean of Gabbie's pussy juice and fucks her as hard and as fast as he can. Gabbie begins to scream loudly and has a powerful orgasm. Her body shakes and she slams her body against Stan's as hard as she can so that he is very deep inside her. Stan fills her tight pussy with his cum until it begins to pour out of her. Both ladies start to moan as Gabbie orgasms first and Sandra is not far behind.

The girls switch positions and Sandra begins to suck Gabbie's pussy of all the cum that she produced from the orgasm she just had. Stan now sees that Sandra has her ass in the air and slams his cock into her. Sandra gasps as Stan leans forward and inserts the length of his cock into her.

All three of them are now moaning and just as Stan's about to cum he pulls out of Sandra and shoves his cock in Gabbie's mouth. She took all of his cum and swallows. Stan and Gabbie began to kiss and Stan could taste a mixture of his, Sandra's and Gabbie's cum.

Stan felt his cock stiffen and rolls onto his back. Both ladies begin to suck and lick his cock at the same time. He was ready to cum again and shot his load all over both of their faces. They both look at each other and begin to lick the cum from each other. Once they were both clean, all three lay on the bed next to each other on the bed. After a few minutes, Sandra got up and left the bedroom only to return a few minutes later with a small cake with three candles on it. She gives one to Stan and one to Gabbie, keeping the third for herself. She says on three, they are each to blow theirs out, and as if on cue, the two ladies laugh and smash the cake into Stan's face with sing-song voices saying – "Happy Birthday!"

Nothing to do on a lazy afternoon? That's not a problem for Sara Jay and Jonny. Just pick up the phone and call for Lya and the day goes from a bummer to a hummer.

Sara Jay & Lya

We think Jonny is going to get him some fine, fine pussy and they will all get off. Oh to be a fly on the wall during this fuckfest. Check the video – it's super hot!

The best part of the whole scene is that everyone wants to get the other one off. No selfishness here; just good old-fashioned girl-on-girl-on-boy sex that all us guys would like to experience at least once in our lives. Fortunately you can live it out vicariously through this scene when you download the video. Be sure to have an extra helping of tissue at hand because you're going to need it by the time it's finished. And so will the fly.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, cure, or prevent disease. Individual body chemistry will affect the results of each oil. Certified pure therapeutic grade essential oils are very potent. Do not use CPTG essential oils past your own understanding. Work with your Wellness Advocate closely until properly educated and confident with your ability to safely use essential oils.

* The dōTERRA business opportunity is robust and growing. While the majority of Wellness Advocates are focused on the use of essential oils for the benefit of their family and friends, for those Wellness Advocates that desire to focus on the building of "for-profit" business by working full-time in achieving the leadership ranks, there is a significant business opportunity as noted above. Of course, each Wellness Advocate's results will depend on the time and effort they put into building their own dōTERRA business.
